Eagle Board Meeting – General Membership

1. New officers were introduced: Candace Thagard, President; Kristin Heath, Secretary; Christine McClung, Treasurer; Iva Rosene, Vice-President.
2. A member of the Parent Association consists of parents and guardians of band students.
3. Discussed the discrepancy regarding amount charged for dues (\$5 per family vs. \$5 per person). Agreed to the \$5 per person. Volunteers who serve as officers or on committees will have the dues waived.
4. Discussed the committees and their respective duties:
 - a. Communications Committee – responsible for band newsletter, telephone communication, submitting photos and articles to the newspaper.
 - b. Activities Committee – responsible for band fund raising projects and soliciting sponsors.
 - c. Hospitality Committee – arrange for pick-up and distribution of drinks at games and maintain a list of parents willing to volunteer or assist in functions.
 - d. Uniform Committee – care of band uniforms

Those interested in the committees are: Kristen – Communications, Gene & Renee – Hospitality. Sign-up sheets were placed out during the dinner for parents to volunteer. (Given to Treasurer)

5. Regular meetings for parents will be held once a quarter. If possible, it could be an activity like the Pizza Night, to get members and volunteers on committees. Executive Board and Committees will meet as necessary.
6. Since there were no nominations as stated in the Constitution, parents who have volunteered for positions will automatically be allowed to serve for one year.
7. Idea was presented for a **facebook** account. We would have to get the permission of the parents for the students' photos and their access to the website. It would be a way for current students and alumni to stay in touch and be informed of fund raising activities. Someone would have to monitor the account as well. There is a band website, www.ikeeagleband.com, that can also be used to get information out to the students, parents and community.
8. Iva Rosene volunteered for Vice-President until a person comes forward for the position.
9. Secretary has paperwork for sanctioning of the EPBA that is due the end of the month (Sept.).
10. Treasurer discussed getting membership cards (found some in box from prior President and given to her on Friday), and letterhead.
11. Money from Pizza Night left over pizzas went for \$5 per box. Treasurer has amount received for pizzas and dues.
12. Next general meeting in December, exact time and place will be announced.
